

Join us as we **Strike down barriers to health care!**

Project Access Northwest is holding another fantastic fundraising event! Our third annual **Strike Down Barriers to Health Care** event on **Tuesday, October 13**, will be live-streamed on YouTube to ensure the safety of all our guests.

Please join your fellow business and health care leaders in the community, learn about our mission, and support our efforts to ensure every person has access to appropriate health care. We'll also present the **Andrea Castell Access to Health Care Award** to an individual who works for improved health care access for all members of our community.

No need to dress up! Just grab your favorite food and beverages and tune in for this special event.
