

Join us as we **Strike down barriers to health care!**

Project Access Northwest is holding another fantastic fundraising event! Our annual **Strike Down Barriers to Health Care** event will be held live at Lucky Strike Bellevue on **October 11, 2022, 6:00–8:30 PM**. There will be opportunities to bowl, play pool, network, visit with friends and learn more about our mission to connect the most vulnerable to vital health care services.

Please join your fellow business and health care leaders in the community, learn about our mission, and support our efforts to ensure every person has access to appropriate health care. We'll also present the **Andrea Castell Health Care Leadership Award** to an individual who works for improved health care access for all members of our community.
